LET THE FINANCIAL INDUSTRY'S TRUSTED PROVIDER DO THE WORK FOR YOU.

Do your corporate customers struggle with understanding changes to different rules and regulations within the ACH Network and other payment systems? Is it a challenge to provide the detailed information your customer needs? We have received feedback about the struggles your corporate customers are facing. The Corporate Advantage Program was created to specifically help you and your customer with access to payment related support and information needed to protect

businesses against fraudulent activities and helpful resources for processing transactions correctly. Program participants will have access to telephone, email and chat hotline support, 2 complimentary webinars, a quarterly corporate newsletter and access to a free NACHA Operating Rules Online provided annually. Every participant will receive a complimentary Corporate Advantage Resource Guide, plus a 25% discount for publications and additional education training.
